Project THINK

Women Educational Researchers of Kenya (WERK)

This is the **new** round 3 survey of Project THINK for March 2019!

Round 1 was conducted in high schools in Nairobi in 2017, and round 2 was conducted online in March 2018.

This survey is for former students of selected schools in Nairobi. It will take about 45 minutes to complete.

For completing the survey, you will **receive 500 KSh on your M-PESA account** for your time and effort. You can only receive 500 KSh once, so do not complete this survey more than one time.

Project THINK aims to improve education policy for youth like you in Kenya. This survey contains questions about your experiences, education, and thoughts about the future. Please answer the questions based on you and your life. There are no right or wrong answers.

- Your participation in this survey is entirely voluntary and not compulsory.
- You can choose not to answer or skip a question. You can stop doing the survey at any time.
- The 500 KSh will be loaded onto your M-PESA account within 10 days

All responses and personal details will be **confidential** and only accessible to the Project THINK researchers. Anonymous information, without any personal details, may be used for future research or shared with other researchers.

If there is anything about this that is unclear or that you do not understand, please contact us on think@werk.co.ke.

Thousands of youth in Nairobi are sharing their views for this study. Your views are important!

☐ **I have read the above information and agree to take part in this survey.**

Do not fill in this survey more than one time. You can only be paid 500 KSh one time for this survey!
